@ nathan.croll@rubinbrown.com

Nathan Croll is a Partner in RubinBrown's Business Advisory Services Group. He is responsible for leading engagement teams on internal audit, Sarbanes-Oxley, and other consulting engagements for clients in a variety of industries.

His 20 years of public accounting and internal audit experience focuses on analyzing business processes, both financial and operational, and customizing effective and efficient solutions for clients and their specialized needs. Nathan's business experience crosses many industries including: manufacturing and distribution, construction, mining, public sector, hospitality, media & entertainment, healthcare, and not-for-profit.

Prior to joining RubinBrown, Nathan was an Internal Auditor and Process Analyst at Hardin Construction Company LLC, an Atlanta based commercial construction company. Prior to Hardin, Nathan worked as a Senior Auditor for Arthur Andersen in Atlanta.
